- 40° Vertical Keystone Correction
- Sealed Optical Engine
- High Altitude Mode

### Eco-friendly functionality

- Acer EcoProjection
- Up to 30,000 hours lamp life (Eco mode).

\* Optional accessory Acer WirelessCAST or WirelessHD-Kit is required.

Light weight

### Ultra-light

Sometimes, we just need to pick up and go at a moment's notice. This lightweight projector lets you do just that. At just 350g and 110 x 120 x 30 mm, the C200 is not much bigger than your passport. Pack up the projector and get where you're needed.

Wireless Projection

### Wireless Projection (optional)

Break free from the clutter of wires with easy wireless projection. The optional Acer dongle let you project wirelessly from PC, laptop or smartphone via WIFI signal.

Up to 4-Hours  
Battery Life

### Embedded Battery

Take your C200 anywhere, anytime without being limited by power supply location. Enjoy full-length films without recharging with 4 hours\* of renewable battery life. It can also work as power bank while your smart device urgently needs charging.

\* Eco mode

### MHL Output

Users can project photos, music and video from any smart device with MHL cables, with the MHL port also permitting devices to charge simultaneously, which allows you project your content directly from a smart device. MHL delivers uncompressed HDMI signals from an MHL supported smartphone.

### About Acer

Founded in 1976, today Acer is one of the world's top ICT companies and has a presence in over 160 countries. As Acer looks into the future, it is focused on enabling a world where hardware, software and services will infuse with one another to open up new possibilities for consumers and businesses alike. From service-oriented technologies to the Internet of Things to gaming and virtual reality, Acer's 7,000+ employees are dedicated to the research, design, marketing, sale, and support of products and solutions that break barriers between people and technology.
